SUMMARY

Project Manager with 3+ years coordinating cross-functional operations across Spain, Latin America, and Europe. Experience leading teams, standardising workflows, and delivering process improvements in agile environments. Strong focus on project execution, stakeholder coordination, and workflow automation to improve operational efficiency.

EXPERIENCE

Project Manager Lead – Spain, Latin America and Europe

4Geeks Academy

2023 - Present Remote

- Led the expansion of operations from Spain into Latin America and Europe, coordinating cross-regional delivery and execution.
- Oversaw programmes serving 500+ participants in Spain, ensuring smooth execution and operational continuity.
- Standardised processes and workflows across Spain and Latin America to align operations and improve consistency between regions.
- Coordinated a team of up to 5, including Program Managers and Prework Advisors, to keep projects on track and priorities aligned.
- Designed and implemented end-to-end workflow automations for project creation, status changes, and incident management across teams.
- Developed an internal platform to streamline team management and support day-to-day project coordination.
- Drove continuous improvement initiatives using Kanban to improve task visibility, workflow management, and team coordination.

Project Coordinator / Head of Communication & Marketing

Casa de Galicia

2020 - 2022 Montevideo, Uruguay

- Led a multidisciplinary team of 20+ across Customer Service, Commercial, and Marketing, aligning responsibilities, deadlines, and delivery priorities.
- Managed the organisation's presence at 12+ annual events and fairs, coordinating planning and execution to strengthen brand visibility.
- Oversaw the medical management system project, acting as the bridge between departmental stakeholders, the technical team, and the board of directors.
- Led CRM migration coordination across departments, gathering requirements and adapting the system to different operational needs.
- Created and implemented the corporate identity manual to standardise brand communication across the organisation.
